

BUILDING: Cambridge Court Apartments — Student Housing

The Right Fit.

208.359.1461 | scott@designintel.com

LOCATION

Rexburg, Idaho

DESCRIPTION

Two separate buildings comprise this complex the second being a mirror image of the first located directly across the parking lot from the building shown. Each building is three stories tall and just over 160 feet in length. The apartments on the first floor meet all applicable ADA requirements. All apartments have two bedrooms, a bathroom, living room, kitchen and dining area. The outside of the building is stucco with a brick wainscot.
